## 2030 VISION

Our Vision is a strong thriving, and stable Saudi Arabia that provides opportunity for all. Our vision is a tolerant country with Islam as its constitution and moderation as its method. We will welcome qualified individuals from all over the world and the respect those who have come to join our journey and our success

We intend to provide better opportunities for partnerships with private sector through three pillars: our position as the heart of the Arab and Islamic world, our leading investment capabilities, and our strategic geographical position

We will improve the business environment, so that our economy grows and flourishes, driving healthier employment opportunities for citizens and long-term prosperity for all. This promise is built on cooperation and on mutual responsibility. This is our "Saudi Arabia's Vision for 2030" We will begin immediately delivering the overarching plans and programs we have set out. Together, with the help of Allah, we can strengthen the Kingdom of Saudi Arabia's position as a great nation in which we should all feel an immense pride

**HIS ROYAL HIGHNESS  
CROWN PRINCE  
MOHAMED BIN  
SALMAN  
BIN ABDELAZIZ  
AL SAUD**

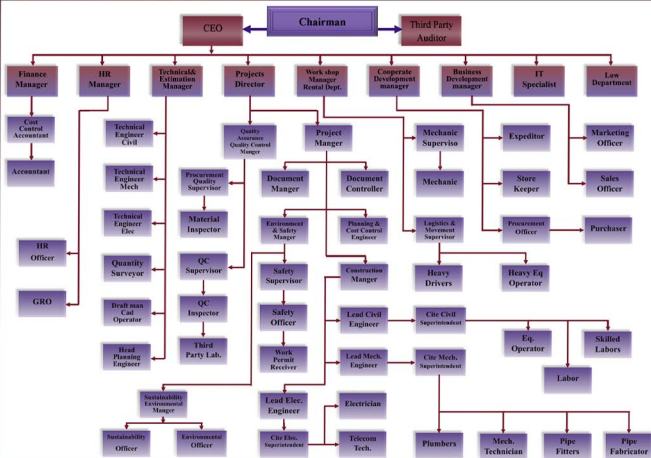

# ABOUT US

A national company that started its activity since 2001 in the following fields:

- 1- Construction and asphaltting of roads.
- 2- Road maintenance, scraping and re-asphaltting works.
- 3- Projects to treat visual distortions on main streets.
- 4- Construction of gardens, playgrounds and parking lots.
- 5- Tunnel excavation works.
- 6- All electrical and lighting works related to roads.
- 7- All traffic and road safety works.
- 8- All sidewalks, curbs, cement barriers and medians.
- 9- Excavation and backfilling works.
- 10- Supply of materials for road construction of all kinds, as the company owns a group of:

- Modern asphalt mixers.
- High-quality crushers in the production of these materials of all kinds.
- The company owns a fleet of equipment, machinery and trucks and is keen to employ trained technical cadres to manage and implement its work and then commit to implementing the contracts assigned to it in the best possible way and with high efficiency.

# ORGANIZATION CHART

# Commitment to Sustainability

Use sustainable materials and technologies that contribute to reducing environmental impact and supporting sustainable development.

### Safety Policy

Date : 01-01-2023

**Our Commitment:** Heif Hussein Al Kahtani Co. is dedicated to maintaining the highest levels of safety in all its construction activities. The health and safety of our employees, contractors, clients, and the public are paramount in every aspect of our operations.

**Policy Objectives:**

- 1. Zero Harm:** Aim to achieve zero harm by preventing all types of work-related injuries, illnesses, and incidents.
- 2. Safety Compliance:** Comply with all applicable health and safety laws, regulations, and standards.
- 3. Risk Management:** Identify, assess, and manage risks associated with our operations to minimize hazards.
- 4. Training and Awareness:** Ensure that all employees and contractors are trained and aware of their safety responsibilities.

**Implementation:**

- 1. Safety Training:** Conduct regular safety training sessions for all new and existing employees.
- 2. Personal Protective Equipment (PPE):** Provide the necessary personal protective equipment and ensure it is used properly.
- 3. Incident Reporting:** Implement a robust incident reporting and investigation system to address and mitigate incidents swiftly and effectively.
- 4. Regular Safety Audits:** Perform regular safety audits and workplace inspections to ensure compliance with safety standards and policies.

**Responsibility:** Safety is everyone's responsibility at Heif Hussein Al Kahtani Co. All employees are required to take an active role in maintaining their own safety and the safety of others. Management is committed to providing the necessary resources, training, and support to ensure the safety policy is effectively implemented.

**Review and Improvement:** This policy will be reviewed annually and updated as necessary to reflect new safety standards, continuous improvement of our safety practices, and changes in legislation. This ongoing process will help ensure that Heif Hussein Al Kahtani Co. remains at the forefront of safety in the construction industry.

This policy underlines our commitment to creating and maintaining a safe working environment for all our stakeholders.

## Quality Policy

Date : 01-01-2023

Our Commitment: Heif Hussein Al Kahtani Co. is committed to achieving the highest standards of quality in the civil engineering and construction sectors. Our goal is to deliver projects that not only meet but exceed the expectations of our clients and stakeholders, while also complying with all applicable laws and regulations.

### Policy Objectives:

1. Client Satisfaction: Ensure that all projects are delivered on time, within budget, and to the highest quality standards, fostering strong, long-lasting relationships with our clients.
2. Continuous Improvement: Implement continuous improvement strategies across all processes through innovative solutions and effective problem-solving techniques.
3. Compliance and Standards: Maintain compliance with industry standards and legal requirements, ensuring all projects are executed with the utmost professionalism and integrity.
4. Employee Excellence: Promote a culture of excellence and quality awareness through ongoing training and development of our workforce.

### Implementation:

1. Quality Management System: Operate a Quality Management System which complies with the international standard ISO 9001:2015.
2. Quality Assurance and Control: Employ rigorous quality assurance and control measures at every phase of our projects to ensure the highest standards are maintained.
3. Stakeholder Engagement: Engage regularly with clients, subcontractors, and suppliers to ensure quality objectives are understood, implemented, and maintained.
4. Regular Audits: Conduct regular audits and reviews of our Quality Management System to ensure its effectiveness and identify opportunities for improvement.

Responsibility: This policy applies to all employees of Heif Hussein Al Kahtani Co., who are responsible for understanding and implementing the necessary practices to achieve our quality objectives. Leadership at all levels will actively support and communicate this policy throughout the company.

This policy reflects our commitment to quality and excellence in every aspect of our operations

## Environmental Policy

Date : 01-01-2023

**Our Commitment:** Heif Hussein Al Kahtani Co. is deeply committed to protecting the environment as part of our corporate responsibility and in line with Saudi Vision 2030. We pledge to sustainably manage our natural resources, actively combat desertification, and ensure that our crushers and asphalt plants operate within the highest environmental standards.

### Policy Objectives:

- Environmental Stewardship:** Preserve and enhance the natural environment in all our operational areas, with a strong emphasis on combating desertification and restoring ecosystems.
- Resource Conservation:** Optimize the use of resources across all our operations, particularly in our crushers and asphalt plants, to minimize environmental impact.
- Pollution Prevention:** Implement stringent controls to prevent and mitigate pollution from our construction activities, with a focus on air and noise pollution from our asphalt plants.
- Compliance with Regulations:** Adhere to all local and international environmental regulations and strive for excellence in environmental governance.
- Integration of Saudi Culture:** Incorporate traditional Saudi environmental values, which emphasize stewardship and respect for the land, into our business practices.

### Implementation:

- Advanced Technologies:** Utilize cutting-edge technologies in our crushers and asphalt plants to reduce emissions, enhance energy efficiency, and decrease noise pollution.
- Sustainable Practices:** Develop and implement construction practices that reduce environmental impact, including recycling materials and using sustainable sourced inputs.
- Community Collaborations:** Engage with local communities to enhance environmental awareness and participate in collaborative projects to improve environmental conditions.
- Continuous Monitoring:** Conduct regular environmental impact assessments of our operations, particularly focusing on the performance of our crushers and asphalt plants.
- Education and Training:** Provide ongoing training for our employees on environmental practices and the importance of compliance with environmental policies.

**Responsibility:** Every employee at Heif Hussein Al Kahtani Co. is responsible for adhering to this policy, with specific roles and responsibilities clearly defined to ensure compliance and effective implementation. Management is committed to providing the resources and support necessary to achieve our environmental objectives.

## Sustainability Policy

Date : 01-01-2023

**Our Commitment:** Heif Hussein AL Kahtani Co. commits to upholding the values of our Saudi heritage and advancing the principles outlined in Saudi Vision 2030. We aim to lead in sustainable construction by integrating environmental protection, community engagement, and economic growth. Our approach is informed by a deep respect for our natural environment and the ambition to combat desertification, which threatens our lands.

### Policy Objectives:

- 1. Preservation of Environment:** Minimize environmental impact, with a specific focus on combating desertification and preserving the unique biodiversity of Saudi Arabia.
- 2. Resource Efficiency:** Employ advanced technologies in our crushers and asphalt plants to ensure maximum efficiency in material usage and energy consumption.
- 3. Sustainability Leadership:** Align our business practices with the goals of Saudi Vision 2030, promoting sustainable development and environmental stewardship.
- 4. Community Engagement:** Engage with local communities to ensure that our projects support sustainable development and contribute positively to societal well-being.
- 5. Regulatory Compliance:** Ensure that all our operations, especially our crushers and asphalt plants, meet or exceed environmental regulations.

### Implementation:

- 1. Cultural Integration:** Incorporate traditional Saudi environmental practices and modern sustainability innovations in our operations.
- 2. Technological Adoption:** Use the state-of-the-art technology in our crushers and asphalt plants to reduce emissions, enhance resource efficiency, and minimize waste.
- 3. Innovation in Construction:** Develop and use sustainable materials and practices that are resilient and environmentally friendly.
- 4. Desertification Mitigation Efforts:** Implement specific measures to prevent land degradation and contribute to land restoration projects.
- 5. Transparent Reporting:** Maintain transparency in reporting our sustainability practices and progress towards the goals set under Saudi Vision 2030.

**Responsibility:** Responsibility for implementing this policy rests with every employee at Heif Hussein AL Kahtani Co. Leadership will ensure that adequate training, resources, and support are provided to fulfill these responsibilities effectively.
